

## Emiliano Vila returns in Tirana, he will play for Dinamo FC

Wednesday, 06 January 2010

Dynamo has reached the first big acquirement in the winter soccer market by bringing in the capital city Emiliano Vila. The 21 years old midfielder is considered as one of the most gifted talents in the Albanian football and he will play for the Dinamo FC as a borrowed player till the end of this season.

After a splendid performance in the Albanian championship with the team of Teuta Vila played last year for the Croatian team Dynamo Zagreb. There he could not find enough space so Dynamo Zagreb lend him to another Croation team, that of Lokomotiva.

After this adventure Vila will be again part of the Albanian championship by playing with Dinamo FC that looks like has made the first important transfer of the winter soccer market.
